## EC certificate of conformity **1608 CPD P069**

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (CPD), as later amended, it has been stated that the construction product

### **Vehicle restraint system Redirective crash cushion TAU family**

whose characteristics are detailed in the attached annex,

placed on the market by

**Snoline Spa**

Via F. Baracca, 19/23 20056 Trezzo s/Adda MI - IT

and produced in the factory(ies)

Trezzo d'Adda MI -IT

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 1608- IGQ has performed the initial type-testing for the relevant characteristics of the products, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 1317-5:2007+A1:2008**

have been applied and that the products fulfill all the prescribed requirements.

first issue: **23/10/2008**

current issue: **13/07/2011**

Ing. Dario Agalbato  
Director

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not significantly modified.
