Regular services shall be open to all, subject, where appropriate, to compulsory reservation. The regular nature of the service shall not be affected by any adjustment to the service operating conditions.
 - (b) special regular services not covered by a contract between the organiser and the carrier. Services, by whomsoever organised, which provide for the carriage of specified categories of passengers to the exclusion of other passengers shall be deemed to be regular services. Such services are called 'special regular services' and include:

5. The maximum period of validity of the authorisation is five years.
